

## Appreciation and Recognition for the NHS in Worcestershire as Bewdley Bridge Turns Blue

Bewdley Bridge illuminated in blue as an appreciation of all that Worcestershire NHS are doing for us.

Richie Heath writes;

"Hopefully, this symbol will be a daily reminder to all who pass through Bewdley of the fantastic work and sacrifices being made by NHS staff.

Thank you for taking the time to read this. We hope you enjoy the light and can show your appreciation by donating if you are in a position to do so.

Richie Heath who lives in Bewdley has set up this charity for Worcestershire NHS and has installed the lighting free of charge.
